- ❖ I declare that I refused the special support offered by the Institute.

Advanced Diploma in IT (MQF Level 4)

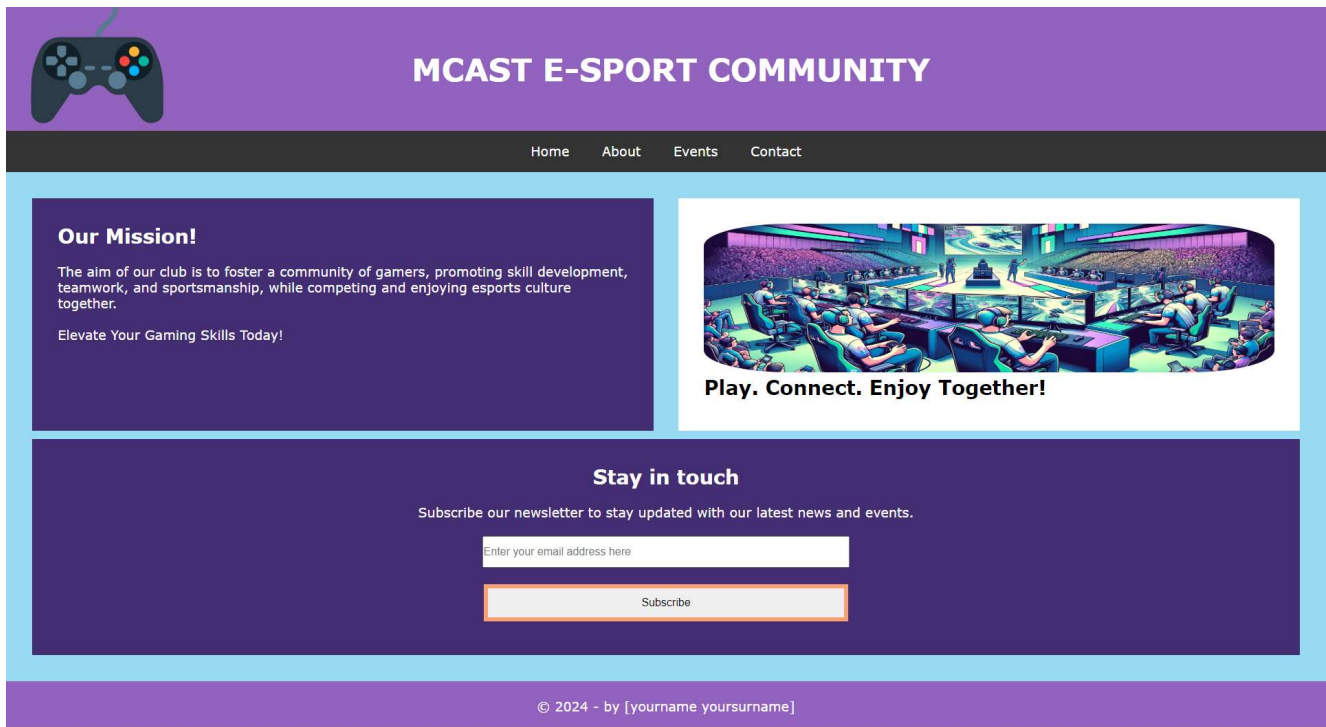

ITWEB-406-1501 - Website Design

Website Design: HTML and CSS (Class Assignment)

Assignment Guidelines

- This assignment is an open book **Class Assignment**, however NO human or AI interaction is allowed. It is available (together with its resources) on VLE .. *ITWEB-406-1501-Website Design unit .. Week 15 to 21 April*.
- Duration: **2 hours**.
- Fill in the assignment **cover sheet completely**. Note that assignments without the cover sheet will be considered as **Not Submitted**.
- Answer all the questions on this electronic document as instructed in each individual question.
- Submission method: **You are to submit a soft copy zipped folder named as your Name_Surname_GroupNumber on VLE week 15 to 21 April using the correct link for your group**. The folder you submit must contain:
 - this Word document with your details clearly written on the Front Sheet;
 - a folder with all your code files as per the below given task.
- **Plagiarism is strictly prohibited. Copying will be penalized** in line with the College's disciplinary procedures.

TASK: Read all the instructions and requirements given below, and then using an editor of your choice (such as Visual Studio Code or Brackets), you are to use the proper HTML tags and CSS properties to create the following web page layout:

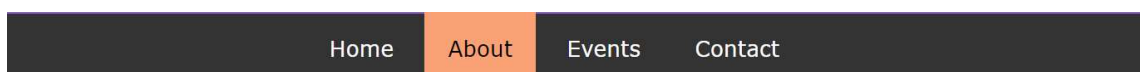

General requirements:

- Use the 2 provided images, which you need to download from the **TCA Resources 2023-24** folder from **VLE week 15 April - 21 April**.
- You are to use HTML **semantic tags** (such as header, main, nav, etc) where appropriate.
- There are marks allocated for styling your layout using an **External** style sheet file.
- You must create the above layout using a **Fluid layout** (width sizes defined using %).
- The different sections must be **positioned** as shown in the above layout.

Other Styling requirements:

- Verdana font** must be used **everywhere** in the web page.
- Font colours** used are **white or black**, as shown in the given layout design above.
- The background colour code of the **Header and Footer** sections: **#9163bf**.
- Write **your name and surname** in the **Footer** section.
- Menu** normal background colour code: **#333**.
- Menu hover effect:** black font on background colour **#faa275**, as follows:

7. **Main** section background colour code: **#98daf2**.
8. The **inner sections** with sub-titles “Our Mission!” and “Stay in touch”, have a background colour code: **#432d73**.
9. The **inner section** with “Play. Connect. Enjoy Together!” text, has a **white** background colour.
10. The **image** on top of “Play. Connect. Enjoy Together!” text, must be styled with **rounded corners** using CSS code.
11. The **Subscribe** button must have a **solid border of 5px thickness** and colour code **#faa275**.

NOTE: Any sizes or specifications (such as height, padding, margins, etc) that are not provided in the requirements, can be assumed as long as your final layout is similar to the one given in this assignment.

Example: the height of the 3 inner sections can be about 250px each.

Marking scheme

Criteria	Marking structure	Maximum mark	Mark Awarded
KU1.1	At least 3 HTML5 tags correctly used. (3 marks) HTML tags in correct order and closed correctly. (2 marks)	5
